**“Peter Eicher vividly portrays a time when U.S. representatives overseas had little more than their wits and courage to aid their efforts to protect their fellow citizens and the interests of our young Republic. Required reading for all new Foreign Service officers and anyone interested in American diplomacy.”**  
—JACK ZETKULIC, *Adjunct Professor of Diplomacy, American University*

**“Raising the Flag is a journey of discovery, a veritable treasure trove of early ventures in American diplomacy. The book offers refreshing insights and inspiration for all readers.”** —SUSAN R. JOHNSON, *ADST President*
