Potomac Books/University of Nebraska Press, September 2018
416 pp, 22 illustrations, notes, bibliography, index
Cloth \$36.95 (ADST and DACOR members & guests \$30)

“Rodger McDaniel is a fine writer and a thorough researcher. His account of the U.S. Senate in the 1960s and 1970s is solid and convincing. He has produced a study that should appeal to anyone interested in Congress's role in American foreign policy, the Vietnam War, and twentieth-century American politics.”

—DON RITCHIE, Historian Emeritus, U.S. Senate Historical Office, and author of *The U.S. Congress: A Very Short Introduction*
